## **Who are we?**

The Junior League of Greater Winter Haven, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. The League is made up of more than 50 active members and more than 75 sustaining members.

The Junior League of Greater Winter Haven, Inc. was founded in 1981 and joined the Association of Junior Leagues International in 1980. One of the earliest projects of the Junior League of Greater Winter Haven, Inc. was the Women's Resource Center.

Today, we continue a tradition of service to the community with projects throughout the Greater Winter Haven area. League members donate thousands in volunteer hours annually by participating in various community projects.

## **Our Community Projects**

### **The Mobile Food Bus**

We at the Junior League of Greater Winter are excited to present our newest project to the community, The JL Bus. The bus visits different areas of the community who are struggling to keep food on the table. The JL Bus helps gain control on child hunger in our community by delivering food items to families that have children whose nutritional needs are not being met.

### **Kids In The Kitchen**

Kids in the Kitchen is a project that promotes child health and wellness by providing lessons and demonstrations related to the preparation of healthy meals and snacks. These lessons include learning exercises for kids, tips on nutrition, and recipes for meals and snacks. By partnering with after school programs, the league is able to provide monthly lessons to children in the community. Additionally, this project will be organizing many other events throughout the year to engage our parents, children and community to live healthy!

### **Teacher Mini Grants**

We believe that motivated and inspiring teachers know the needs of their students the best. The JLGWH awards grants up to \$250 to individuals proposing innovative programs. In addition to the financial awards, JLGWH also offers volunteer hours from members to help teachers in the community. Grants are open to all public and private school teacher in the Greater Winter Haven Area including Winter Haven, Auburndale, Bartow, Lake Alfred and Lake Wales.

### **Done in a Snap**

This program allows the JLGWH the opportunity to work with several local charities and community events in assisting with a variety of projects that can be completed in one day (Salvation Army Toy Drive and Fore the Love fundraiser in support of the Winter Haven Women's Hospital.)
